Round Product Label Applicator

TAKE-A-LABEL... Providing Economical Solutions In Round Product Labeling Systems

The TAKE-A-LABEL Model TAL-3100R Round Product Label Applicator continues the commitment of TAKE-A-LABEL to provide intelligent and economical solutions in semi-automatic labeling systems.

This uniquely designed applicator will accommodate a full range of round products, from 1/4" to 6.5" diameter, without the need for costly attachments or modifications. The 'open carriage' design allows the applicator to apply labels to products of virtually any length using one standard unit.

When flexibility and ease of operation are your production requirements, look at the TAKE-A-LABEL Round Product Label Applicator for your Labeling Solutions.
